The Paddle Fest Film Festival celebrates the wild and the people who appreciate it through canoeing, kayaking and paddle boarding - treading lightly on the water. The Huronia Land Conservancy works to acquire and protect land and preserve it in its natural state in perpetuity. In partnership with Paddling magazine, the Festival's sponsor, HLC is making these films available to you through the [purchase of a key](#).

A percentage of the proceeds will accrue to the Conservancy and all those proceeds will go to further its work.

Audition Notice

Synopsis:

A wet, foggy night. A down-on-his-luck, out-of-work bloke, stumbles down a deserted street and comes upon a person lying face down in a puddle, presumably dead. Out of desperation, he takes the wallet from the open coat and discovers cash and business cards. Thanking his luck, he disappears into the fog. Later, to his dismay, he finds that the wallet contains a card stating the bearer suffers from a form of cataleptic illness and if found, may appear dead. BUT, HE HAS ALREADY BEEN BURIED IN A PAUPER'S GRAVE... ALIVE...!
